Angel Oak Elementary is helping all students develop the exemplary skills and life and career characteristics of the Profile of the South Carolina Graduate through a focus on Personalized Mastery concepts and the infusion of the Arts in all classrooms. We accomplish this by using rigorous standards in Language Arts and Math, Critical Thinking, collaboration and communication skills, as well as character development characteristics that promote self-direction and a global perspective. Angel Oak seeks to maintain the status of a High-Reliability school as stated by Robert Marzano. Our high teacher morale and parental participation enable the four hundred and twenty-five students at Angel Oak to accomplish the high expectations set by all school stakeholders.

As we continue to move our students to be serious competitors in a global society, we seek excellence in the Personalized Learning approach. Our school's mission states we are focused on student achievement, and we use data-based strategies to ensure student success. Angel Oak uses Master Reading Teachers, Lucy Calkins Reader's and Writer's Workshop, and best practice strategies in ELA classes. Every classroom has a SmartBoard, document camera and iPads to enable every student to keep pace with our ever-changing world.

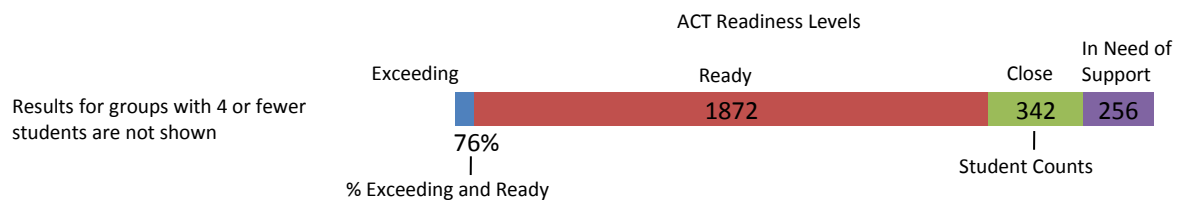

The Angel Oak family participated in many academic, social, and community activities this year. These included: breakfast for Grandparents, Mothers, and Fathers; community carnival and a "We are Family" Fun Day. School and PTA events had outstanding numbers of attendees. The Student Council assisted in working with school visitors, activities, and performances. The staff participated in Professional Development pertaining to Brain Compatible Research, and Strategies for Math, English Language Arts, and Science. Additionally, staff were engaged in professional development relating to processes for assessing students' reading levels and personalized learning implementation. Angel Oak has exceptional community partners such as Kiawah Cares, Seabrook Cares, Engaging Creative Minds, and many others; our partners assist both teachers and students with academic and material needs.

Angel Oak is systematically moving towards excellence in all areas. Our goal is to meet every learner's need and bring each student to their maximum potential.
